Dear Honorable Commissioners,

As you embark on the important work of selecting and appointing both Interim and Permanent Chiefs of Police to replace retiring Chief Flynn, the Milwaukee Police Supervisors' Organization would like to offer the following;

1. That we, on behalf of our members, the 285 sworn supervisors and Commanders that manage department operations 24 hours a day, 7 days a week, 365 day per year, support you as you exercise the awesome responsibility placed on you pursuant to Section 62.50 of Wisconsin law and our City Charter.
2. That if you would like any input from the duly elected supervisory representatives of this organization during your selection processes, both for interim and permanent Chief, I would be more than happy to provide it in whatever forum you prefer.

Once again, our very best wishes and support for you in these processes and the awesome responsibility you as individuals bear, and best wishes for the very best outcomes, for the good of the great City of Milwaukee and the people that make it so.

Sincerely,

Carmelo Patti
President
Milwaukee Police Supervisors' Organization
